The Turkish Pharmaceutical Technology Scientists' Association (TUFTAD)
announces that the 3rd BBBB International Conference
will be held in Antalya, Turkey on 26-28 October, 2009.

Dear Colleagues

It is our pleasure to invite you to attend the 3rd BBBB Conference on Pharmaceutical Sciences which will be held on 26-28 October 2009. The conference will cover invited talks, contributed talks, and poster presentations.

The 2009 conference will be held in the capital of Turkish Riviera, ANTALYA. Turkey will be waiting for you so that you can enjoy its natural, historical and cultural beauties by the occasion of 3rd BBBB International Conference.

*Prof. Dr. Atilla HINCAL
Chairman
Organizing Committee*

HISTORY

The BBBB conference series were initiated by the Hungarian Society for Pharmaceutical Sciences (Balaton), the Turkish Pharmaceutical Technology Scientists' Association (Bosporus), the Slovenian Pharmaceutical Society (Bled), and the Estonian Academical Society of Pharmacy and the Finnish Pharmaceutical Society (Baltic), the members of the European Federation for Pharmaceutical Sciences (EUFEPS) and decided to organize conferences biennially on the shore of a lake or on the seacoast, e.g. in the region of Lake Balaton, the Baltic Sea, Bled and the Bosporus. The previous BBBB Conferences have been held successfully in Siófok, Hungary (2005) and Tallinn-Tartu, Estonia (2007).

AIM & SCOPE

The aim of the BBBB conference series is to bring together people from all over the world who are involved in pharmaceutical sciences in order to exchange results, experiences, and information and to build communication and collaboration at regional and global scales.

Main target of the 3rd BBBBs is to create a pharmaceutical sciences platform between the university-industry and regulatory scientists in order to give a chance to discuss the main topics of this symposium in a friendly mood, in silent, historically and naturally attractive part of Turkey called "Turkish Riviera".

ORGANIZERS

This conference will be organized by the Turkish Pharmaceutical Technology Scientists' Association in collaboration with the Hungarian Society for Pharmaceutical Sciences, the Slovenian Pharmaceutical Society, the Estonian Academical Society of Pharmacy, and the Finnish Pharmaceutical Society of EUFEPS.

THEMES OF THE CONFERENCE

The topics of the conference are:

- Regulatory issues
- Recent strategies for the oral delivery of poorly soluble drugs
- Biotechnology and delivery of biologics
- Medicinal chemistry and analytical techniques of drug development
- Clinical pharmacy and pharmaceutical care
